JETS ARE HERE

Sleek, new commercial airliners from Aurora...now ready to board and take off right in your own home! There's the Boeing 727 and 737, which can take off and land at smaller airports on shorter runways and still maintain roominess and comfort. The giant 747's of Braniff, Delta, Pan Am, and many, many more. All authentically designed to capture the exact look and details of today—the real thing! Tomorrow travel by jet will probably be easier than driving to work... The Commercial Jets... by Aurora.
